Notice Regarding Revision of the Year-end Dividend Forecast (Increase)
 for Fiscal Year Ending March 31, 2026

JCU CORPORATION (hereafter, "the Company") hereby announces that at the Board of Directors meeting held today, the Company has revised the Year-end Dividend Forecast for the fiscal year ending March 31, 2026, as follows.

1. Reason for revision of the dividend forecast

The Company recognizes shareholder returns as one of the most important management priorities. Additionally, the company has determined the shareholder return policy in the capital policy of the medium-term management plan "JCU VISION 2035 -1st stage-" (fiscal years ending March 2025 to March 2027) as follows:

- Total distribution ratio: About 50%
- Consistently increase the dividend
- Well-timed repurchases of stock

Regarding the year-end dividend forecast for the fiscal year ending March 2026, based on the above-mentioned policy and after comprehensively considering our business performance and financial condition for this term, we have revised the forecast upward by 13 yen from the previous estimate, increasing it to 54 yen per share.

As a result, the annual dividend forecast is expected to be 95 yen per share, an increase of 19 yen compared to the previous fiscal year.

2. Details of revision

	Annual dividends		
	Second quarter-end	Fiscal-year end	Total
Previously forecasts		41 yen	82 yen
Revised forecasts		54 yen	95 yen
Actual results for the current fiscal year	41 yen		
Actual results for the previous fiscal year (Fiscal year ended March 31, 2025)	37 yen	39 yen	76 yen
